About The Collaboration

BREWED THE SAME WAY FOR 9,000 YEARS
OR AT LEAST SINCE 1897

A crisp, refreshing, light-bodied malt-flavored beer with a well-balanced finish. Packaging is refreshed to look as crisp and fresh as the beer inside. Dos Equis is made of water, malted barley, corn starch/ syrup, hops and ascorbic acid. A beverage made from pure spring water and the choicest hops. A beer with such good taste, it's chosen you to drink it. A beer with such good taste, it's never seen in bad company.

Since 2008 Dr. Bronners has been certified Fair Trade for all major raw materials (representing over 95% of annual agricultural volume) by the respected Swiss Certifier IMO. Dr. Bronners makes pure-castile soap, hair and body care products of the highest quality. We are committed to socially and environmentally responsible products. All-One! Dr. Bronners Classic Liquid Soaps Offer Versatility & Ecological Ethos in Small Bottles

New Time needs New Desicions!
Sharing tecnologies and ideas in such different fields of indoustry is the only way to rise the product above others. Rising the quality and develop- ing Our brands together can help people to see a brapd new products made with care and love, ECO FRIENDLY and fully recycled. Made using the best ingredients and technologies.
DOS EQUIS & DR.BRONNERS
LETS DO THIS TOGETHER!
